"Straightening the Crooked Horse" One Week Clinic

Conducted by renowned authors & trainers,

**Klaus Schoneich &
Gabriele Rachen-Schoneich**

- For over 25 years, the Schoneichs have taught their holistic training system at their Center for Anatomically Correct Horsemanship in Germany. Training top FEI Grand Prix Dressage horses & Olympic FEI Dressage riders as well as rehabilitating thousands of incorrectly moving horses.

- The Schoneich's training methods teach the horse to carry itself freely with a swinging back, resolving 90-95% of motion related problems. Their system is the missing link

when preparing your horses for performance, improving the trained FEI Dressage horse or rehabilitating a "problem" horse!

**GAIN THAT COMPETITIVE EDGE IN THE SHOW RING THIS YEAR
AND PERMANENTLY CORRECT YOUR HORSE'S BALANCE AND MOVEMENT!**

Attendance is limited ~ Make your reservations NOW

CLINIC DETAILS:

- Offering one week intensive (Schoneich complete program)
- 3-day clinics for horse and rider available upon request and availability
- 1-day Seminar, lecture followed by observed demonstrations (reserve in advance)
- Auditing available by appointment (fees apply)
